

# SUPERIOR FILTERS WORLDWIDE

## TYK FILTER INDUSTRIES

THAI YANG KITPAISAN CO., LTD.

# Our Story

More than 60 years of experience, expertise and development in filtration.

TYK Filter Industries, also known as THAI YANG KITPAISAN CO., LTD., was founded in 1955 and its core business involved in the manufacturing of technical rubber parts for the automotive replacement market. Since then, TYK Filter Industries diversified into a group of companies that manufacture a wide range of filter products for the automotive, industrial and health market. Our filter products are recognized for their high quality performance and reliability, under well known brand names which include: TYK Filters, Flomax, BC, Miyamoto, Pecco, Cabin Star, Tora and others. The company's successful growth is based by several fundamental principles that characterise the entire TYK network:

- The quality of products
- A philosophy of continuous improvement
- A reliable production system

Our production system has many certifications as:

## Our Commitment

Over 60 years of experience we design, engineer and manufacture filters to meet the highest industry standards. Our worldwide range of customers get best possible service, and we offer reliability from the first contact up to the final shipped product. Enviromental friendly manufacturing process is our concern. TYK's experienced workers receive best training, high compensations, and social benefits. We are committed to a better community standard.

## Our Factories

Samutprakarn Plant

## Our Manufacturing Excellence

## Our Solution For You

We have a wide range of high quality filter in regular production. Our expertise to design and engineer special filter products for automotive, industrial and health applications is well known. Please let us have your specific requirements, and we will be proud to present you a high quality and cost effective solution within short time. Even you have small quantity requirement, we are happy to be one of your partners in this business. Our flexible production technology and efficient structure allow us to cover every demand you have.

## Our Production Capability

### Spin-On Filter

Outer Diameter from 50 mm to 150 mm  
Length from 50 mm to 350 mm

### Element Filter

Outer Diameter up to 600 mm  
Length up to 1,200 mm

### AUTOMOTIVE FILTERS

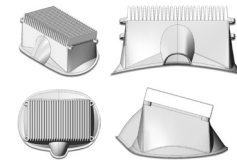

- Oil Filter
- Fuel Filter
- Air Filters
- Cabin Air Filter
- Hydraulic Filter
- Industrial Engine Filter

### INDUSTRIAL FILTERS

- Panel Filter
  - Rigid Pocket Filter
  - V-Bank Filter
  - HEPA/ ULPA
- Plastic Injection Molding  
Technology for large air filter.

### HEALTH & PROTECTION MASKS

- Dust mask
- Pollution protection mask
- Activated Carbon mask

## OEM & OES Customers

- Champion
- Chevrolet
- Denso
- Ford
- Hiflo Filtro
- Hino
- Hitachi
- Hewlett Packard Indigo
- Isuzu
- K&N Engineering
- Kubota
- KTM
- Mazda
- Mitsubishi
- Toyota

## Industries We Support

- Automotive
- Cleanroom
- Electricity and Energy
- Gas Turbine
- Health Service
- HVAC Commercial
- HVAC Residential Building
- Industrial Pollution protection
- Painting booth

## Our Facilities

### Samutprakarn plant :

Factory area : 55,000 sqm / Capacity : 20 million filters per year  
Products : Oil filters, Air filters, Cabin air filters, Fuel filters, Hydraulic filters, Industrial filters, Inkjet filters and others.

### Rayong plant :

Factory area : 55,000 sqm / Capacity: 10 million filters per year  
Products : Oil filters, EDM filters, Industrial filters (V-Bank filters, Rigid pocket filters, Panel filters and HEPA filters) and others.

### TSA Rubber plant :

Products: All kinds of industrial rubber press, Automotive rubber parts, Anti vibration, Machinery rubber parts, Oil seals, Construction rubber parts, Technical rubber parts, Mold injection process and others.
